

Corpus Christi Hawk Watch at
Hazel Bazemore County Park
Northwest Blvd at CR 69 (Hazel Bazemore Parkway)

Directions:

The park is located in the northwest corner of Corpus Christi in the community of Calallen. Highways 37 and 77 intersect and run together for a short distance, the first exit on Hwy 77, less than one half mile south of this intersection, is FM 624 (Northwest Blvd). Go west on Northwest Blvd for 0.7 mile to the entrance of the park on the right (at the third traffic light, County Road 69). Turn right at CR69 and proceed down the road into the park. Bear left when you enter the park (you'll see a sign pointing the way to the hawk watch), and follow the road downhill past the park office and public restrooms, around the bend past the pavilion to the bluff. You'll see the back of the 17th tee box to your left as you round the final bend that puts you right on top of the fall watch site.
